MINISTRY PARTNER INFORMATION

Water of Life teams partner with **New Life Fellowship Church (NLF)** in Cambodia. Although the country is only 1-2% Christian, it is one of the most receptive nations to Christianity. Under the leadership of Pastor Samdy and his wife, Navy, New Life has a vision to be a model and resource center for planting churches in every province of Cambodia with the same philosophy and foundation and to send Cambodians as missionaries to other countries.

Our teams serve with **NLF** in the capital city of Phnom Penh and in the rural areas. Teams usually do many of the following: teach English, children's/youth ministry, distribute food, home visits, evangelism, praying for the sick, prayer walks, visit dorms that house people from rural villages, encourage small groups/church planters and much more! Our HSM team will run a youth camp in partnership with New Life's school.
