MINISTRY PARTNER INFORMATION

WHY MEXICO?

Mexico weekend teams are a fun, safe way for you, your family and/or your friends to serve and grow together. This is an excellent first opportunity to serve globally if you have never been out of the country other than vacation/business. These teams cost less and are shorter which makes them a great initial step before serving overseas.

MINISTRY PARTNER INFORMATION

We send 15-20 teams each year to partner with various ministries and orphanages in Baja California, just 1 hour south of San Diego. We normally stay in or near the city of La Misión and serve with various ministries including **Door of Faith Orphanage (DOFO)**, **Serving Orphans and Widows (SOW)**, **Buena Vida Orphanage**, a church in the community of Santa Rosa and with a church called **La Roca** just south of Ensenada! These ministries care for children, help keep them in school, give them a strong foundation in Jesus and help them with life skills and job training. Teams may participate in small work projects, children's ministry, help cook meals, be a part of church services and/or participate in evangelism and community outreach – and more! We hope you will pray about joining us on one of our Weekend Mexico Teams soon!
