MINISTRY PARTNER INFORMATION

Our teams serve with multiple ministries Uganda:

Parakletis was founded by WOL Pastor Glen Totten. This ministry helps facilitate healing to those traumatized by war, as well as bring practical skills to refugees to be able to provide for their families. Our teams partner with Parakletis training centers in Kampala, Entebbe, and refugee camps in Northern Uganda.

His Sickles is led by Pastor Uche and Sola Izuora, Nigerian missionaries who work in and among refugees fleeing from Sudan & South Sudan into Northern Uganda. Our teams may partner to do ministry with refugee children, women, pastors and/or those in jails. You will have time ministering to "Muslim background believers" (MBBs) who in turn can share Jesus to people and places our teams could never reach.

517 Ministry was started by Chris Annunziato for the purpose to mentor and disciple teenagers in Uganda. Their community center in Entebbe ministers to 150-200 youth weekly. Our teams may participate in bible studies, soccer, farming, workshops, teaching and/or outreach events.
