LEADERSHIP HONOR CODE AND VALUES STATEMENT

As an essential part of the Water of Life Church Leadership Team, we have a responsibility to develop and exhibit mature Christian behavior. This should be the foundation of our work here as servant leaders of Water of Life.

While serving the Body of Christ as a Small Group Leader at Water of Life Church, we pledge to present a good appearance at all times. In both attire and behavior, we should strive to demonstrate Biblical standards in all situations.

As a Christian, the way we present ourselves to others is of vital importance to the way others perceive Christ. Our conduct should never be an embarrassment to Christ, but should exemplify the best qualities of a mature believer and Servant/Leader.

Exemplifying the highest moral commitment, Water of Life Church Small Group Leaders are to maintain a disciplined life of Bible reading and prayer. We must also refrain from such things as profanity, gambling, indulging in much wine and other alcoholic beverages, dishonest gain, illegal drugs, pornography, sexual immorality, and all behaviors which might cause Christ to grieve and others to stumble.

It is a Water of Life value that all small group meetings and small group activities hold the highest standard of conduct. This means that no alcohol will be consumed during any church sponsored or related event. All leaders and members of small groups are to hold this as a value for themselves; therefore no alcohol will be consumed during any small group meetings or activities.

Small Group Leaders provide a place of security by protecting what is shared within their groups and keeping it confidential.

By being an example in speech and action, we encourage others to grow in Christ and become Servant/Leaders themselves. This is a way of life measured by the heart and commitment of each leader on the Water of Life team. We should regard it as an essential part of our development, not as an imposition or restriction.
